

2. The reference numerals of Figures 1 through 8 have been re-drawn in compliance with 37 C.F.R. 1.84(p)(3).

The applicant submits that the drawings are in compliance with the Notice of Draftsperson's Patent Drawing Review, and that no substantive amendments have been made that add new subject matter to the application.

Allowance of this application is respectfully requested.

Respectfully submitted,  
Richard Brown
